## **EXECUTIVE COMMITTEE**

Professors Jody Redepenning (Chair), Catherine Eichhorn (2027), Jiantao Guo (2027), Yinsheng Guo (2026), David Hage (2026), Liangcheng Du (*ex officio* as Vice-Chair).

CHARGE TO THE COMMITTEE: Provide confidential advice and carry out other duties as requested by the Chair and as required by the bylaws.

## **AWARDS AND SCHOLARSHIP COMMITTEE**

Professors David Hage (Chair), Jason Kautz, Stephen Morin, Jared Shaw, Liangcheng Du, Catherine Eichhorn, and Joseph Yesselman, Martha Morton.

CHARGE TO THE COMMITTEE: (1) Nominate deserving faculty for various college and university awards, including Arts and Sciences Distinguished Teaching Award, Outstanding Teaching and Instructional Creativity (OTICA), Arts and Sciences Research Awards, Outstanding Research and Creative Activity (ORCA), Dean's Award for Excellence in Graduate Education, and named professorships. (2) Work with the Chair's office to nominate deserving faculty for various regional and national awards (e.g., the Midwest Regional ACS Award, National ACS awards, Sloan, Searle, Dreyfus, AAA Fellow, ACS Fellow nominations, etc.). (3) Oversee the nomination process, selection and awarding of the Department Graduate and Undergraduate Research and Teaching Awards. The deadline for the Departmental GRA and GTA Awards is typically around March 1st. The presentation of these awards should be timed to occur at a department colloquium late in the spring semester and should be coordinated with the colloquium chair. The timing of the solicitation and presentation process for these awards should also be communicated to the Organic Division Chair, who is responsible for similarly handling and processing nominations for the Cromwell and Fuerniss Awards. (4) Organize and manage the awarding of department scholarships and applications for University-wide scholarships (e.g. Milton Mohr, Upson). (5) Solicit and evaluate nominations for the Office of Graduate Studies Thesis and Dissertation Awards (one allowed per year per department) and assist in nominating students for the Office of Graduate Studies GRA and GTA awards. These awards are typically due in the Graduate Office in mid-February.

## **COLLOQUIUM COMMITTEE**

Professors Jiantao Guo (2012), Alex Sinitskii (2014), Jian Zhang (2016), and Stephen Morin (2018), Alena Moon (2019), Hui Li (2020), Yinsheng Guo (2021), James Checco (2022), Catherine Eichhorn (2023), Jared Shaw (2024), Tim Gatzemeier (2025), Joseph Yesselman (2026).

### POLICIES, PROCEDURES AND CHARGE TO THE COLLOQUIUM COMMITTEE:

The colloquium chair's duties are summarized below. The position of colloquium chair begins the year prior to the stated term. Thus, a chair named for spring 2009 would begin selecting and inviting speakers by spring 2008 (in reality, some of the award lecture chairs may need to employ even greater preparation). The colloquium chair is responsible for coordinating submission of Research Council Visiting Scholar funding applications; deadlines and forms can be found on the Office of Research web page. During the designated year, the chair is responsible for overseeing enrollment/attendance for the associated graduate course (Chem 990), overseeing all local arrangements for the visitors, and arranging for a projectionist. The colloquium chair is also responsible for reminding the host faculty member to arrange the "student visit time". The host faculty member is responsible for choosing the "student visit time" and for ensuring good participation in the student time.

### SEMINAR MEAL REIMBURSEMENT POLICY:

Participants for meals should include speaker, host and up to two faculty members. If you have more than four individuals and the amount exceeds the stated limit, you will be responsible to collect from the other faculty members and pay for that amount. The University Foundation requires an itemized meal receipt from restaurants that identifies exactly what was ordered by each member in the party. PLEASE REQUEST THIS RECEIPT; YOUR REIMBURSEMENT IS NOT POSSIBLE WITHOUT AN ITEMIZED RECEIPT.

**LUNCH:** Reimbursement limit is \$60 (excluding tax and gratuity).

**DINNER:** Reimbursement limit is **\$40/person** (excluding tip and tax), to include the speaker and maximum of three faculty. Maximum of \$40 for alcoholic beverages can be purchased in addition to the meal.

**NOTE:** *If you choose a restaurant that is not direct billed to the department, the limits identified above still apply. If you go over the limit, faculty members will be responsible for that amount.*

Colloquium honoraria and travel reimbursements: We pay speaker's meals on campus and direct bill the hotel and airfare. We give \$250 as both a small honorarium and to cover any incidental expenses (parking, mileage or airport shuttle, snacks en route, etc.). Please word the invitation to visit to clearly indicate "airfare and local accommodations are typically direct billed to the department and, in addition, you will receive a \$250 as an honorarium and to cover any incidental travel expenses." Of course, the incidental expenses may on occasion exceed \$250 (i.e. a rental car, a hotel bill they paid out of pocket, etc.). If so, we will cover all of these "big expenses" and give the \$250 for incidentals.

## **COMBINED SHOP COMMITTEE**
