

## Fall 2025- Spring 2026 Undergraduate Teaching Assistant

### JOB DESCRIPTION:

Each week the applicant will perform the following duties (~8 hr/week total):

- Supervising a teaching lab (~ 3 hours)
- Grading lab reports (~ 1 hours)
- Lab Prep/TA mentor meeting (~1 hour)
- Office hours in the Chemistry Resource Center (1 hour)
- Proctor and grade exams 5 times a semester on Thursday nights from 4:30 pm until exams are done being graded.

Exam dates:

- Fall 2025: September 18th, October 9th, November 6th, December 4<sup>th</sup>
- UGTAs MUST be available to proctor exams on the above dates

**Appointments:** Based upon the Chemistry Department's best guess as to assistantship needs and upon successful completion of training, new TA's may receive a teaching assignment, usually a Chem 109 lab for the Fall semester.

**Training:** Qualified applicants must be available for a **mandatory** course of teaching assistant training which will be conducted daily the week before the Fall semester starts (tentative dates: August 18th-22nd). Students who successfully complete training and are hired to teach will be entitled to enroll for one credit hour of Chemistry 396 for teaching.
